

## Mission

The Regional Support Element (RSE) is an agile and adaptable force package capable of responding to a wide range of regional missions in order to serve as a strategic bridging solution for sustainment mission command and seamlessly integrate strategic and operational sustainment partners.

## Link Strategic Capabilities to Combatant Commands

## Provide Mission Command

## Manage Contract, Distribution, and Sustainment Support

**21st Theater Sustainment Command**  
**located at Panzer Kaserne,**  
**Kaiserslautern, Germany**

[www.eur.army.mil/21tsc](http://www.eur.army.mil/21tsc)

"US Army Europe is a bargain for the Army and for the Nation. We guarantee access to allies and critical infrastructure. US Army Europe enables 'early entry' so we don't have to do 'forced entry.' Along with our joint team mates, we are the manifestation of America's commitment to the alliance and our partners."

-LTG Ben Hodges, Commanding General,  
United States Army, Europe  
November 5, 2014

***Strong Europe!***

**REGIONAL  
SUPPORT  
ELEMENT
